Install

In the iPhone app store or the android Google Play store, search for “City of Bradenton Mobile.” A couple of apps may appear – choose the one that says “Finance” or maybe “Paymentus Corp.”

It is the one with the City of Bradenton sunglasses logo!

Now that you’ve found the correct app, first things first – create your account.

About this app

This is for City of Bradenton Mobile customers to make payments.

On the “Sign In” page, choose “Create Account” at the bottom of the form.

The next three screens are easy. Think of a secure password, and enter basic information such as your name, phone number, zip code and email address. Set up two security questions and answers. Then click Sign Up!

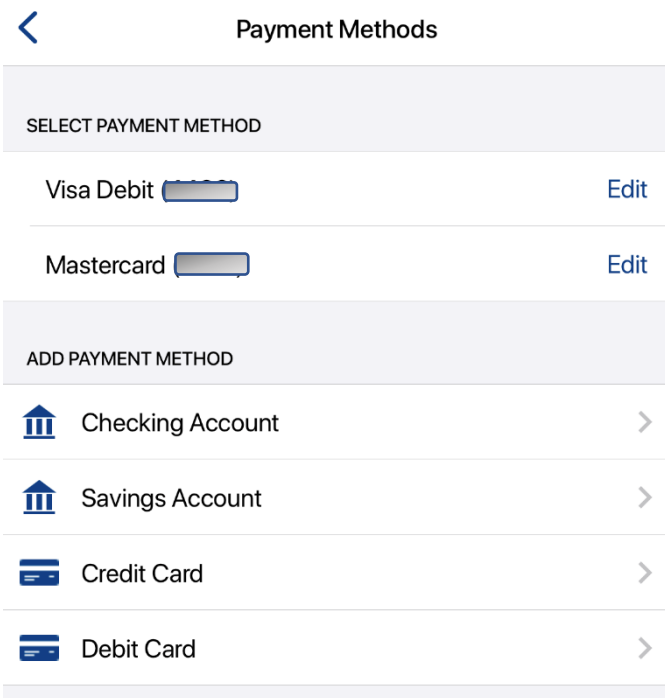

You will receive notice from Paymentus that you have successfully registered and will be presented with a sign-in screen. Your information will be automatically entered into this screen – just click “SIGN IN”

Your total amount due will appear on the top of the page. If you have already added your payment option, it will appear under “Pay Using” and you can simply select the credit card or bank account you have stored.

If you have stored payment methods, simply choose the method you’d like to use for this payment. If you would like to add a payment method, do so from the bottom of the screen.

To set up your payment method for the first time, choose “Wallet” on the bottom of the screen from the app’s home page.
